Goku & Friends: The Invasion of Dragon Ball Z

Dragon Ball Z is an anime show that has gone from cult following to smash sensation in the United States. What started out as a cult following among high school and college students has spread to enjoy a more mainstream popularity among these younger groups, while continuing to expand through other demographics. A Japanese creation, this show in many ways opened the door for others to follow.Dragon Ball Z is the middle instillation of a three part anime trilogy. The whole thing started out with Dragon Ball, then went to Dragon Ball Z, and finally ends with Dragon Ball GT. While Dragon Ball had a cult following, it was Dragon Ball Z that really caught mainstream popularity in the United States. Dragon Ball Z started as a Japanese manga comic in the 1980's. Since then it has exploded into a truly international phenomenon spawning over 500 episodes, 17 movies/features and generating over $3 billion in merchandise, making it perhaps the most successful anime/mange in history. Dragon Ball Z has hit number one internationally, including the United States, Japan, France, Spain, Hong Kong, and Mexico. Dragon Ball Z follows the adventures of Goku, who along with the Z Warriors, defends the Earth against evil. Their **discount Kenya safari packages** adventures are extremely action packed, sometimes with an entire episode being nothing but one amazing fight scene. This makes the show very entertaining, and the story line ***kenya budget safari*** reinforces the concept of good versus evil. Dragon Ball Z teaches valuable character virtues such as teamwork, loyalty, and honor.

Akira Toriyama, the creator of the Dragon Ball franchise, was involved in the concept, approval and character designs for Dragon Ball Z, as well as Dragon Ball GT. Dragon Ball Z, the second part of the Trilogy, consists of 291 episodes. Dragon Ball Z arrived in the U.S. in 1996 and still continues today. The Dragon Ball Z DVDs are the highest selling anime DVDs, and Dragon Ball Z clothing has become very fashionable for teenagers and college students.Dragon Ball Z is not going to fade away any time soon. Its good versus evil epic story line, fantastic animation, and intense battle sequences promise to keep the show popular for years to come, and after the sale of a million DVDs, it is safe to say that Goku and the Z team have made an impact far beyond what the original magna creator could ever have dreamed.
