The Four Bonus Rounds Explained

The primary allure of Crazy Time depends on its four bonus offer rounds. These mini-games offer the highest multipliers and the most visually interesting gameplay.

1. Coin Flip

The simplest of the reward rounds. A coin with a red side and a blue side is flipped by a maker. Before the flip, random multipliers are appointed to each side. Whichever side lands deal with up awards the gamer that matching multiplier.

2. Cash Hunt

Gamers deal with a massive screen showing 108 random multipliers concealed behind various shooting targets (like cacti, targets, and hats). Utilizing a virtual cannon, the player picks one target, and the concealed multiplier is exposed and used to their bet.

3. Pachinko

Influenced by the traditional Japanese arcade game, a radiant puck is dropped from the top of a big board filled with pegs. The puck bounces down and lands in one of the landing zones at the bottom, each featuring a multiplier. If it lands on a "Double," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

This is the holy grail of the video game. Players go into a virtual, surreal world behind a red door, welcomed by an even larger giant wheel. Gamers should choose one of three flappers (Green, Blue, or Yellow). The wheel spins, and any place the picked flapper stops figures out the prize. Multipliers can rise to **20,000 x**.
