Joining letters on the page. Start with a familiar word from the assigned primer. The teacher can point out where one printed shape meets the next without separating the sounds artificially. Try the same *online quran tuition* task on an unfamiliar word chosen by the teacher. Record which join needed a second look.

Planning home practice. Agree with the tutor on one short practice task and a clear stopping point. Put the book and the assignment together so the learner can begin without searching. Ask what the learner actually managed on a busy day. Use that observation to set the next assignment's length.

For the next session, keep one activity familiar and change online Quran tuition UK the example in the other. This makes it easier to see which skill the learner can use independently.
