The Four Exciting Bonus Games Explained

The main tourist attraction of the Crazy Time demo experience is experiencing or getting involved in the 4 special bonus rounds. Each offers an entirely various gameplay mechanic.

1. Coin Flip

The simplest of the benefit rounds. A coin with a red side and a blue side is turned by a machine. Each side is assigned a random multiplier before the flip. Whichever side lands face up awards the player that multiplier.

2. Money Hunt

A shooting gallery style bonus offer video game where players are provided with a huge screen consisting of 108 random multipliers concealed behind different symbols (such as a cactus, target, or chef hat). Gamers goal and fire a virtual cannon at their picked symbol to expose their prize.

3. Pachinko

Inspired by the conventional Japanese arcade game, a radiant puck is dropped from the top of a large Pachinko wall filled with pegs. The puck bounces down until it lands in one of the multiplier zones at the bottom. If it hits a "Double," all multipliers on the board double, and the puck is dropped again.

4. Crazy Time

The ultimate perk round. Players enter a dynamic, surreal virtual world behind a red door, featuring an enormous giant wheel with three flappers (green, blue, and yellow). Gamers pick their flapper, the wheel is spun, and whatever multiplier it arrive at is granted. Landing on a "Double" or <https://bitz.io/games/crazy-time> "Triple" increases all multipliers on the wheel for another spin.
