When time expires, all cannons fire, exposing the private multipliers behind the picked targets.

If the puck lands in a **"DOUBLE"** slot, all multipliers at the bottom of the wall double, and the host drops the puck again for even bigger prizes.

4. Crazy Time

    2. The speaker presses a huge red button to spin the enormous wheel.
    3. When the wheel stops, the multiplier shown by the player's selected flapper is awarded.
    4. If the flapper points to a **"DOUBLE"** or **"TRIPLE"** sector, all multipliers on the wheel double or triple, and the wheel spins again-- approximately a maximum cap of **20,000 x**.
