## The Secret Sauce: The Top Slot

Before every spin of the main wheel, a two-reel **Top Slot** spins all at once above the main video game view.

- Reel 1 shows one of the betting segments (a number or a bonus offer video game).
- Reel 2 shows a multiplier (ranging from 2x as much as 50x).

If the horizontal reels line up to form a match between the bet sector and the multiplier, that multiplier is used to that specific sector for the upcoming spin. If the wheel arrive at that section and activates a win (or a benefit round), all payouts or bonus multipliers are immediately enhanced by that value. This is where Crazy Time genuinely lives up to its name, allowing for astronomical payments on even the smallest bets.

## Dive Into the Four Crazy Time Bonus Rounds

The primary factor gamers flock to Crazy Time is the 4 interactive benefit video games. When the wheel stops on a benefit sector, gamers who positioned a bet on that sector are carried from the main studio into a sensational augmented-reality mini-game.

### 1. Coin Flip

- **Frequency:** 4 sections on the wheel
- **Gameplay:** An easy heads-or-tails game. The host presses a button to flip a coin that has a red side and a blue side. Each side is assigned a random multiplier before the flip. Whichever color lands deal with up wins for the players. If the multipliers are low, a "Rescue Flip" might periodically be set off.
