The classic setup. Perfect for vacation homes, hunting cabins, or guest rooms where siblings or friends are comfy sharing a room. For grownups, look for models with extra-long (Twin XL) dimensions to accommodate taller guests.

2. Full-Over-Full (Double-Over-Double)

This is the gold requirement for adult sleep spaces. A full-sized mattress can comfortably sleep 2 grownups (though comfortably), or offer a luxurious, sprawling sleeping surface for a single adult. These require robust frames due to the increased weight capacity.
