What is Avia Masters?

Avia Masters is an online casino game established by BGaming that leaves from the conventional reel-spinning mechanics of standard fruit machine. Instead of matching symbols throughout paylines, gamers bank on the flight course of an aircraft.

The core premise is easy: an airplane takes off, and as it climbs up higher into the stratosphere, a multiplier boosts in real-time. The main goal of the player is to squander their winnings before the airplane undoubtedly flies away, crashes, or disappears from the screen. If the gamer fails to squander before the flight ends, their stake is lost.
