- **Identity Discrepancies:** If the name or date of birth on the recognition document (passport) does not match the Pearson account profile down to the exact letter, results might be put on administrative hold.
- **Technical Audits:** A little portion of tests are arbitrarily selected-- or flagged by the AI-- for a routine security audit. This can delay scores by as much as 5 business days.

2. Meticulous Documentation

- **Bring the Correct ID:** Double-check that the passport brought to the test center is valid, unexpired, and matches the registration information precisely.
