Choose Bali Blinds Enjoy The Choice Of Vinyl Or AluminumBali blinds come in a wide array of colors in both vinyl and aluminum window blinds. You can choose vertical or mini blinds depending on the look you want to achieve in each room of your home. For a special coordinated look, contrast Bali vertical blinds with horizontal Bali blinds in the same room. The type of blind you choose will, of course, depend on the size and shape of your window, but you can get Bali blinds custom made to suit irregularly shaped windows as well. If you choose vinyl vertical blinds in the Bali Fort Payne cash offer for house style, the cash offer for house Fort Payne AL slats are 1 inch wide. For horizontal aluminum Bali blinds the slats are larger 2 inches wide. One inch vinyl Bali vertical blinds or mini blinds are perfect for the bathroom or kitchen window or another room of the home where they may be high levels of humidity on times. These Bali window blinds come with a light-blocking head rail, but it doesnt have a valance. It is designed so that you can install it between the window facings. If you wish you can have a cloth valance over the top of the Bali blind. For a more contemporary look, try the sleek inch micro aluminum Bali blinds. Both these and the 1 inch aluminum Bali window blinds come in an amazing array of colors. The aluminum blinds by Bali contain an advanced finishing technology so that they will resist dust and dirt and are easy to clean. They are also hard to dent or scratch, so that if you want to peep out the window without raising the blind, you can pull the slats apart a tiny bit. To care for and clean your Bali blinds, regular vacuuming will do the trick. If you notice a stain on one or more of the slats, you can easily wash them off with lukewarm water and a mild cleaner. If you have Bali vertical blinds, you can take out the vanes individually and let them soak in water or lay them flat to wash them off. You may be surprised to learn that if you leave a thin film of detergent on the vanes, it will help eliminate static electricity. Therefore, there is no need to rinse your Bali window blinds completely. Bali blinds are very durable and will provide you with the window coverings you want for many years. Along with giving you the privacy you need, you can choose to completely block out the light or allow some light to filter through the window blinds.
