Looking to save on HTX trading fees? Use the **HTX Referral Code "cashback30"** to access an advertised **30% discount on trading fees** and potentially qualify for **up to 1,500 USDT in rewards**, subject to the current promotion and eligibility requirements.

HTX Referral Code "cashback30"

The **"cashback30"** referral code can help eligible HTX users access available trading fee discounts and promotional rewards. Apply the code through the relevant referral process and complete the required steps to check your eligibility.

How to Apply HTX Referral Code "cashback30"

1. Visit the HTX website or open the HTX mobile app.
2. Create an eligible HTX account.
3. Enter **"cashback30"** in the referral code field.

4. Complete any required verification and promotional activities.
5. Check your account to confirm the applicable referral benefits.

Save 30% on HTX Trading Fees

Eligible users who apply "**cashback30**" may receive a **30% discount on applicable trading fees**. This can help reduce eligible trading costs for users who meet the conditions of the active HTX **Check out here** referral offer.

Get Up to 1,500 USDT Rewards

In addition to the trading fee discount, qualifying users may have the opportunity to receive **up to 1,500 USDT in rewards**. The actual reward amount and qualification requirements depend on the current HTX promotional campaign.

Review the latest HTX offer terms before participating and make sure the referral code "**cashback30**" is successfully applied before completing any qualifying activity.
