For those curious about why this virtual aircraft has recorded the hearts of Kenyan punters, this extensive guide explores how the game works, strategies players use, and how to enjoy it properly.

What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game belonging to the "crash game" category. Unlike conventional slots with spinning reels or table games with complicated rules, Aviator is built around a rising curve that can crash at any time.

The property is straightforward:

1. **A plane takes off**, and with it, a multiplier coefficient begins to increase.
2. **Gamers position a couple of bets** before the round begins.
3. **The objective is to cash out** before the lucky plane flies away (crashes).
4. If a gamer cashes out in time, they win their stake multiplied by the current coefficient. If the airplane flies away before they cash out, the bet is lost.

This mix of timing, psychology, and danger management has made it a staple throughout almost every significant betting website in Kenya.
