What is Big Bass Crash?

At its core, **Big Bass Crash** is an online multiplayer casino video game built on a "crash" mechanic. Unlike conventional slots where gamers spin reels to match symbols across paylines, a crash game features an escalating multiplier curve represented visually on the screen.

In *Big Bass Crash*, an angler boards his boat and sets sail. As he travels throughout the water, a multiplier starts ticking up from 1.00 x. The goal is simple: **cash out before the net breaks or the line snaps (the crash)**. If players successfully cash out before the crash, they win their stake multiplied by the present value. If the crash occurs before they cash out, the bet is lost.
