What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game that falls under the "crash game" genre. Unlike conventional slots or table video games like live roulette and blackjack, Aviator does not feature reels, paylines, or standard card decks.

Instead, the core mechanic is refreshingly simple:

1. **The Takeoff:** A little aircraft removes, and as it climbs up greater, a multiplier coefficient increases quickly (beginning at 1.00 x).
2. **The Flight:** The aircraft can fly away at any unforeseeable second.
3. **The Cash Out:** Players need to place a bet and struck the "Cash Out" button *before* the plane flies away. If they cash out successfully, their stake is increased by the current coefficient. If the plane flies away before they cash out, the bet is lost.

This blend of quick gameplay, suspense, and player company has made Aviator a staple of the Kenyan online gaming scene.
