What is a CS: GO Case Battle?

A case battle is a multiplayer video game mode hosted on third-party CS2 skin gambling and trading sites. Unlike opening cases alone in the video game customer, a case battle enables multiple players (usually between 2 and 4) to open the precise same set of cases at the same time.

The rules are easy:

1. **Buy-in:** All individuals contribute a set quantity of cases, moneyed by their website balance.
2. **The Drop:** The system opens the cases for all players round by round. Every item dropped is provided a real-world financial value based upon Steam Market or third-party prices.
3. **The Winner:** At the end of the battle, the total worth of all skin drops for each player is calculated. The player with the greatest overall worth wins **all** the items dropped in the match, consisting of those of their opponents.

If you are fortunate, you can leave with double, triple, or even 10 times your preliminary buy-in. If you lose, you lose the cost of the cases.
