For those questioning where to begin, this detailed guide breaks down every step required to get a driver's license in Poland (specifically Category B for automobile).

1. Prerequisites Before You Begin

Before registering in a driving school, applicants need to meet specific legal and physical requirements.

- **Age Requirement:** The minimum age to get a Category B motorist's license in Poland is **18 years old**. Nevertheless, applicants can start their training up to 3 months before turning 18.
- **Residency Status:** Foreign nationals must prove legal residency in Poland. This usually requires holding a legitimate visa, house card (*karta pobytu*), or registration of EU citizen residence, together with remaining in Poland for a minimum of 185 days per year.
- **Medical exam:** Every applicant should go to an authorized occupational medication physician to obtain a medical certificate confirming physical and mental fitness to drive.

2. Step-by-Step Process to Get a Polish Driver's License

The journey from pedestrian to licensed driver in Poland follows a clear sequential path.

Step 1: Obtain a Medical Certificate

The applicant needs to set up a consultation with a medical professional accredited in transport medication. The evaluation is normally fast, checking eyesight, hearing, and general health.

- *Cost:* Officially regulated by the state, the medical examination normally costs around 200 PLN.

Action 2: Get a PKK Number (*Profil Kandydata na Kierowcę*)

The PKK (Driver Candidate Profile) is a distinct electronic recognition number produced by the regional community office (*Urząd Miasta* or *Starostwo Powiatowe*).To get a PKK, the candidate should send:

1. A completed application.
2. The medical certificate.
3. One recent passport-sized picture (3.5 x 4.5 cm).
4. Evidence of identity (ID card or passport) and residency documents (for immigrants).

Step 3: Enroll in a Driving School (*Ośrodek Szkolenia Kierowców* - OSK)

With the PKK number in hand, the applicant can choose and enroll in a state-approved driving school.

- **Theory:** Minimum of 30 hours of class lectures (though many schools now provide e-learning alternatives). This includes a compulsory 4-hour First Aid course.
- **Practice:** Minimum of 30 hours behind-the-wheel training with a trainer.

Step 4: Pass the State Theory Exam

Upon finishing the school's theoretical course, the applicant must pass the main state theory examination at a Wojewódzki Ośrodek Ruchu Drogowego (WORD) center.

- The examination is computer-based, consisting of 32 multiple-choice concerns.
- It is available in Polish, English, and German (at choose WORD centers).
- A passing rating is at least 68 out of 74 possible points.

Step 5: Pass the State Practical Exam

Once the driving school trainer confirms the completion of the 30 practical hours and the theory examination is passed, the candidate can book the practical driving examination at the WORD center.The useful examination has two parts:

1. **Vehicle preparation and checks:** Inspecting fluid levels, examining lights, and showing standard automobile understanding.
2. **Maneuvers and driving:** Performing maneuvers on a designated track (e.g., hill start) followed by driving in real traffic conditions for a minimum of 40 minutes.

Step 6: Collect the Driver's License (*Prawo Jazdy*)

After passing the useful **kupić prawo jazdy** test, the WORD center updates the system. The candidate must then pay the production cost at the regional municipal workplace. Within 9 to 14 working days, the physical plastic card will be prepared for pickup.
