

Portland and Maine more broadly have a welcoming wedding scene for same sex couples, and Annie Paige Photography approaches every couple's day with the same authentic, storytelling focus regardless of who is getting married. The goal remains consistent: documenting genuine connection and authentic love, <https://daltonqunz960.dovetailscope.com/posts/coastal-maine-wedding-photography-light-and-scenery> whatever form that takes. Comfort in front of the camera matters just as much for same sex couples as it does for anyone else booking a wedding photographer.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

This inclusive approach has been part of the business throughout its years serving Maine and beyond. Call (207) 841-4333 to talk about photographing your wedding.
