FAQ About Dumpster Rental

What is the average cost of dumpster rental in Asheville, NC?

The average cost of dumpster rental in Asheville, NC typically ranges from \$300 to \$600, depending on the size of the dumpster and the duration of the rental. Factors such as type of waste and disposal fees may also influence the total price.

What sizes of dumpsters are available for rent in Asheville?

In Asheville, dumpster rentals generally come in various sizes, including 10, 20, 30, and 40-yard options. Smaller sizes are ideal for residential projects, while larger ones cater to commercial renovations or construction sites.

How long can I keep a rented dumpster in Asheville?

Typically, dumpster rentals in Asheville can be kept for about 7 to 14 days. However, rental duration may vary based on the company, so it's best to confirm specific terms and any potential extension fees.

What types of waste can I dispose of in a dumpster rental?

Most dumpster rental companies in Asheville allow disposal of general construction debris, household junk, and yard waste. However, hazardous materials, electronics, and certain large appliances may be prohibited, so always check beforehand.

How do I choose the right dumpster size for my project?

Choosing the right dumpster size for your project in Asheville involves assessing the volume of waste you expect to generate. For small cleanouts, a 10 or 20-yard dumpster may suffice, while larger renovations might require a 30 or 40-yard option.

Types of Dumpsters Available

Bedrock Dumpster Rental provides a selection of dumpsters suitable for industrial <https://bedrockdumpsterrental.com/> use.
