### 2. Where to Find Free Crazy Time

Many controlled online gambling establishments that bring Evolution Gaming's live-dealer portfolio use a **"Demo" or "Play for Fun"** button straight on the Crazy Time lobby page. Below is a quick checklist to find it:

1. **Choose a respectable casino**-- Look for a license from the Malta Gaming Authority, UK Gambling Commission, or similar regulator.
2. **Develop a (complimentary) account**-- Some sites require registration before showing the demo; others enable instant visitor access.
3. **Navigate to the Live Casino area**-- Locate the Evolution Gaming banner.
4. **Select Crazy Time**-- The video game window will show a **"Free Play"** toggle. Click it.
5. **Load the demonstration**-- The live-dealer video stream will start, however the balance is virtual (usually 10,000 "play credits").

**Pointer:** If a casino does not provide a totally free version, attempt the Evolution Gaming **official demonstration portal** ([evolution.com/en/live-casino](https://evolution.com/en/live-casino)). It streams the exact same live feed utilized by partner gambling establishments, but just the demonstration mode is offered there.

### 3. How the Free-Play Mode Works

|                             |                                                        |                                                            |                                       |                                        |                                                   |
|-----------------------------|--------------------------------------------------------|------------------------------------------------------------|---------------------------------------|----------------------------------------|---------------------------------------------------|
| Function                    | Real-Money Mode                                        | Free-Play Mode                                             | <b>Balance</b>                        | Genuine cash (minimum deposit differs) | Virtual credits (typically 10 000)                |
| <b>Bet size limitations</b> | Set by gambling establishment (e.g., EUR0.10-- EUR100) | Same limitations as real-money mode, but utilizing credits | <b>Payments</b>                       | Credited to the gamer's cash wallet    | Contributed to the virtual credit balance         |
| <b>Cash-out</b>             | Withdrawable (subject to KYC)                          | Not possible-- credits reset when you leave the table      | <b>Rewards &amp; &amp; promotions</b> | Qualified for welcome/loyalty rewards  | Not eligible-- bonuses apply only to genuine cash |
| <b>RNG vs live</b>          | Live video feed (genuine spin)                         | Live video feed (identical spin)                           |                                       |                                        |                                                   |

The key distinction is *financial*: the wheel spins **exactly the same** in demonstration mode, suggesting the odds, RTP (return-to-player), and bonus-round probabilities correspond the real-money variation. This makes complimentary play a reliable sandbox for screening techniques.

### 4. Crazy Time Basics-- The Wheel and Main Segments

The Crazy Time wheel includes **54 similarly spaced sections**. The eight **primary segments** (the ones that award a cash payment quickly) are:

| Segment            | Color      | Typical Payout (x Bet)        |
|--------------------|------------|-------------------------------|
| 1                  | Red        | 1:12                          |
| 2                  | Blue       | 2:15                          |
| 5                  | Yellow     | 5:110                         |
| 10                 | Green      | 10:1                          |
| Crazy Time (Bonus) | Purple     | Variable (up to 20,000 x)     |
| Coin Flip (Bonus)  | Orange     | 2-to-1 on the correct side    |
| Cash Hunt (Bonus)  | Pink       | 1-to-10 per hidden multiplier |
| Pachinko (Bonus)   | Light Blue | Approximately 100 x the bet   |

During a spin, the wheel arrive at **one** of the 54 segments; if it lands on 1, 2, 5, or 10, the gamer gets this reproduction of the amount bet on that particular section. If a reward segment appears, the corresponding mini-game starts.
