What is a CS: GO Case Battle?

At its core, a case battle is a multiplayer variation of basic case opening. Instead of opening a case alone in the personal privacy of your inventory, players get in a lobby where two to four participants buy into a shared pool of cases.

When the battle starts, every individual opens the precise very same cases simultaneously. The items are exposed <https://cs2skin.com/case-battle> round by round. At the end of the battle, the total monetary worth of all the skins dropped for each gamer is computed. **The player with the highest cumulative skin value wins the whole contents of the swimming pool.**

Secret Variations of Case Battles

- **1v1 Battles:** The traditional battle. Winner takes all.
- **1v1v1v1 (Free-for-All):** Four gamers get in, but only one strolls away with the loot.
- **Team Battles (2v2 or 3v3):** Players pool their winnings with teammates, and the group with the highest combined value wins.
- **Terminal/Crazy Mode:** Unique video game modes where the rules are flipped-- for example, the player with the *least expensive* total worth wins the pot.
