

Family formals are a standard part of any wedding day, and Annie Paige Photography approaches ***affordable Portland wedding photographers*** them efficiently to avoid eating into time meant for the couple and reception. As a mother of two daughters herself, Annie brings a natural patience to working with kids and extended family during group photos. Clear communication ahead of the wedding day about which family combinations are needed helps keep this part of the schedule moving smoothly.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

This experience with family dynamics has developed across more than one hundred weddings photographed. Call (207) 841-4333 to plan family photos for your wedding day.
