What is the Aviator Game?

Developed by Spribe, Aviator is a social multiplayer game belonging to the "crash game" genre. Unlike standard fruit machine with spinning reels or table games with complex rules, **Kenya Aviator** Aviator is developed around an increasing curve that can crash at any time.

The premise is straightforward:

1. **A plane removes**, and with it, a multiplier coefficient begins to increase.
2. **Gamers put a couple of bets** before the round starts.
3. **The goal is to squander** before the fortunate plane flies away (crashes).
4. If a player squanders in time, they win their stake increased by the current coefficient. If the airplane flies away before they cash out, the bet is lost.

This blend of timing, psychology, and danger management has actually made it a staple throughout almost every significant wagering website in Kenya.
